Welcome!

First and foremost, congratulations on your engagement and thank you for your interest in Anna Liz Photography!

It must be so exciting for you and your family, planning your wedding and all.

The task you have in front of you is no easy one. Selecting the right artist to tell your story is probably one of the most important decisions you will have to make in the upcoming months and one that will be with you for the rest of your life! Sure, where Uncle Jim sits and who gets chicken or beef are important decisions, but none carry the long term implications of your imagery. Our goal is to tell your story in the most compelling way possible. Capturing those candid moments that you and your family will grow to cherish for a lifetime.

We treat every event with the care, trust and artistic attention that it deserves. What else is more important than giving your family beautiful images that will provide enjoyment for years, and hopefully, generations to come.

The result will be the creation of your first family heirloom.
Talk about pressure.

The responsibility of documenting your day is one we take very serious. Enclosed you will find detailed information about our products and packages. Please let us know if you have any questions.

We look forward to working with you!

Anna Liz Photography Team

CHOOSING THE RIGHT PHOTOGRAPHER

CAPTURING LIFE'S MOST MEMORABLE MOMENTS

Your wedding day is quickly approaching, and all of the details are starting to fall into place. You might be feeling overwhelmed, but we're here to help!

One of the most important decisions you can make is deciding on a photographer for the big day. With so many options out there, we are honored that you have considered us to document your wedding.

Our professional photography team has spent years finding the perfect locations, poses, and lighting techniques that show off our clients naturally & beautifully. .

Snapping a photo is easy, but directing a client and leading them confidently throughout their wedding day is something entirely different. This is something we not only strive to do - we guarantee it with each and every client who graces the front of our cameras.

We work with each of our couples individually to create images they will be proud to show off YEARS after we are finished photographing! Instead of following trends, we have worked hard to create a style of our own that is chic and timeless. No detail is left to chance. Our vendors are all seasoned professionals who have been hand-selected by Anna Liz Photography.

Our goal is to be there every step of the way as we capture your story. From the initial consultation to handing over the final, printed pieces from your wedding, we will guide you through an experience that is memorable for years to come.

Congratulations on this exciting time of your life!

SIT BACK, RELAX, & LET US TAKE CARE OF THE REST.

what to expect:

LOCATION

Add more personality to your photos by choosing the location of your session! Whether it's the local coffee shop or a local park where you first met your soon-to-be spouse, let us know if there is a place that is sentimental to you!

PAYMENT

A 30% non-refundable deposit is required in order to secure your wedding date. The remaining 70% of your balance is due two weeks prior to your session.

SCHEDULING

Sessions are scheduled 4-6 months in advance. Cancellations and reschedules must be made via email or phone at least 6 months prior to your wedding. Deposits are non-refundable.

WHAT TO WEAR

Wear something that makes you feel comfortable and confident! Patterns, bold colors, and accessories photograph really well. Feel free to get creative with your wardrobe!

PHOTO TIP:

Plan an intimate 'first look' to make the most out of the beautiful lighting before your ceremony. Guests will be thrilled that they don't have to wait long after the vows, as most of the family photos will already be out of the way.

PREPARING FOR THE BIG DAY

WEDDING DAY TIPS:

Gather all your details before the day starts so we can photograph them quickly! This makes the getting-ready portion of the day go by much more smoothly, and it allows us to spend more time focusing on the spontaneous moments when everyone is together.

What to bring: rings, jewelry, hair pieces, flowers, shoes, socks, cuff links, socks, letters, pictures, gifts, cultural items, invitations, programs, printed pieces, & any unique items you treasure!

FREQUENTLY ASKED QUESTIONS

Q: WHAT SETS YOU APART FROM OTHER PHOTOGRAPHERS?

A: We take all of our photos in intimate, relaxed settings and try to use natural lighting as often as possible. Our sessions are candid & fun! Instead of being intrusive, we allow the couple to engage with one another as they would on a regular day.

Q: HOW MANY PHOTOGRAPHERS WILL BE THERE AT OUR WEDDING?

A: Most of our wedding collections come with two photographers. We always bring an assistant.

Q: WILL WE GET FEATURED IN A MAGAZINE OR BLOG?

A: Although many of our sessions do get featured, this is not something that is guaranteed. Most publishers are interested in colorful, uniquely designed weddings!

Q: DO YOU PHOTOGRAPH ELOPEMENTS?

A: Of course! Depending on availability and the number of hours you have set aside for photography, we have special rates for elopements. We love the intimate setting created between a couple as they exchange vows in an alternative fashion.

Q: WILL WE GET THE PRINT RELEASE TO OUR PHOTOS AFTER OUR WEDDING?

Yes! Our contract includes a full print release.

HAVE MORE QUESTIONS? SEND US A MESSAGE!

Q: WE'RE HAVING A DESTINATION WEDDING. DO YOU TRAVEL?

A: Yes! We love destination weddings and have been lucky enough to travel all over shooting weddings. Send us more information on your travel plans, and we will create a custom wedding collection to suit your needs.

Q: DO I HAVE TO ORDER PRINTS THROUGH YOU?

A: We highly recommend ordering prints through us, but it is not required. The difference in quality is huge when it comes to ordering through a professional lab, so we encourage clients to let us help with prints!

Q: WHAT EQUIPMENT DO YOU USE?

A: We use all of the latest canon equipment. We always carry the 5D Mark III, the Mark 6D Mark II, 50 mm lens, 24-70 mm lens, 35mm lens, the 135 mm lens, & and many more a. All our cameras and lenses have a backup in the rare event that anything should happen to one of our pieces.

Q: ARE THE COUPLES ON YOUR SITE MODELS?

A: We are lucky enough to work with gorgeous couples. So the images shown on our site and blog are of regular, paying clients unless otherwise stated.

HOW DO WE RESERVE OUR WEDDING DATE?

A 30% deposit and signed contract is required in order to get your wedding date on the calendar. Your remaining balance will be due one month prior to your wedding date.

PLAN A TIMELINE:

Send over your timeline before the wedding to ensure that the day goes off without a hitch!

Some of our couples' favorite images from their wedding day end up being the detail shots. Details help tie everything together & tell the story of behind-the-scenes moments.

Think about getting a wooden hanger for your dress. They photograph well and are great keepsakes for years to come.

CROWD MANAGEMENT

It helps to have a designated friend who can proactively gather the groups so we can focus on creating beautiful photos! Usually this person knows the groups pretty well, they have a loud voice, and they can round people up with ease.

AFTER THE CEREMONY

After the ceremony, have your officiant make an announcement asking family members to stay in the ceremony location. Have an appointed friend help facilitate the different groups you would like to have photographed.

Keep your list of groups short. Please note that each group shot can take 2-3 minutes. We would all love to have photos with every important person at the wedding, but time is of the essence. Less is more in this type of situation, and you will have the reception to get group shots, if necessary.

When these are in place, you are destined for fun & smooth formal portraits! This also allows for creative wedding party photos as well as romantic bride & groom portraits with beautiful lighting!

PRESERVING YOUR MEMORIES

ALBUMS:

ARE THEY REALLY NECESSARY?

It is one thing to view your digital photos on a computer, but it is something entirely different to see, touch, and flip through pages filled with hand-picked images from your wedding day. You can include your wedding, engagement session, bridal session, and day-after session in your album! This is a great way to entertain guests in your new home (albums also make perfect gifts for the in-laws, hint hint).

THE PROCESS:

Designing your album with us is really easy! To keep the process as smooth as possible, you start off by selecting the images that best tell the story of your wedding. From there, we'll design your spreads.

DETAILS & TIPS:

*Please be as specific as possible with your requests. If there is a photo you'd like to be replaced, please provide a link to the preferred photo from the photo galleries.
There is a two month window to make edits after the initial design is sent over.

Album sizes: 5x5, 8x8, 10x10, 12x12 / 20 pages included
